

St. Augustine Historical Society
Oldest House Museum Complex

Group Visit Procedures

Groups must make reservations in advance by calling (904) 824-2872 and speaking with our group reservationist.

The discounted rate for school groups is \$3.00 per student and \$4.00 per adult chaperon. Payment may be made either by Visa® or MasterCard® or by check.

Bus parking is available in the Oldest House parking at the corner of St. Francis and Charlotte streets, close to the museum complex.

Your visit to the Oldest House Museum Complex includes a guided tour of the González-Alvarez House (Oldest House) and self-guided access to the Manucy Museum, the Museum of Florida's Military, the Edwards Gallery, the garden and the museum store.

Please arrange to arrive at your scheduled time. If delayed, please notify us as soon as possible by calling (904) 824-2872. By arriving on time, you enable us to serve you more efficiently, and you enjoy a smoother, less hurried, visit.

If you have to cancel, please notify us as far in advance as possible so that we can give others the opportunity to use the time allotted.

A soft drink vending machine and picnic tables are available on the property. If your group plans to have lunch on site, please notify us at the time you make your reservation.

We want students and other guests to enjoy their experience of the Oldest House and to learn about the history of St. Augustine and early Florida. Teachers and adult chaperones are responsible for the conduct of their students.

A program evaluation form is available for you to take home. Please fill it out and return it to us. Your frank answers help us improve the services we offer to you and your students.

ENJOY YOUR VISIT!
